

PROCEDURE FOR ADOPTION OF MANAGEMENT PLAN

1. The management plan shall be prepared by the local chapter.
2. The proposed plan shall be submitted to the Land Management Committee for review and recommendation to the TPE Board.
3. The TPE Board shall approve the management plan.
4. The management plan shall be signed by the president of the local chapter and by the person or persons designated by the TPE Board to sign on behalf of the organization. If the Board does not designate anyone, it shall be signed by either the business manager or the president.
