

Biodiversity from the Ground Up

**Become a
Sponsor!**

More than 500 Prairie Enthusiasts throughout Wisconsin, Minnesota and Illinois will come together again this winter for three days of virtual learning about prairies, oak savannas and other fire-dependent ecosystems of the Upper Midwest.

Demonstrate your support for prairie protection and restoration by becoming a sponsor today! You will be recognized in conference promotions targeting our audience of 2,500+ nature-lovers. You will also be invited to network and learn alongside our community throughout the conference.

Many thanks to our 2025 sponsors for your support!

Blue Mounds Area Project (BMAP) and Iowa Public Radio

2026 Annual Conference

February 18-20
